

THE CRAIG FELTON MEMORIAL SCHOLARSHIP GOLF TOURNAMENT

This event came about to honor a life-long resident of South St. Paul and teacher/coach at South St. Paul High School, Craig Felton, who passed away after a long battle with colon cancer.

This event will celebrate Craig's life and his love for the game of golf. He revered the honesty and integrity the game exemplified, which is also how he lived his life.

100% of the net proceeds will go to the Craig Felton Memorial Endowed Scholarship, given to a deserving South St. Paul High School graduate who will be pursuing post-secondary education. This event was created to honor two of Craig's passions, education and golf.

Check-in time is 11am, shotgun start at noon!
